To all Organisations representing Animal Technicians throughout Europe

29<sup>th</sup> October 2004

Dear Sir,

FELASA 2004 provided the opportunity for a European Federation of Animal Technologists (EFAT) meeting to be held. There had been no meeting for over a year, and this was a chance for EFAT members to meet up and discuss the way forward. It was decided that a formal EFAT meeting should be arranged, to which all the major animal technician groups within Europe would be invited to send representatives. It was proposed that the main topic for discussion at this meeting should be Animal Technician Education & Training within Europe.

I am therefore pleased to be able to announce an EFAT Meeting to be held on Friday 4<sup>th</sup> February 2005, at the Brussels Airport Sheraton Hotel, at 11.00am. Coffee will be available from 10.00am onwards, and the hotel is two minutes walk from the arrivals terminal.

There will be no cost for attending the meeting, but travel costs will have to be met by the individual organisations.

In order to allow a fair representation, we would like to have no more than two representatives from each organisation. I would be grateful if you would e-mail me the names of those wishing to attend so that I can have a clear idea of numbers attending. (C.E.Chambers@bristol.ac.uk)

I look forward to hearing from you,

Yours faithfully,

Charlie Chambers  
EFAT Co-ordinator
